EXPERIENCES

UX DESIGNER

IBM iX, Bangalore (Feb 2020 - Present)

UX/UI designer with experience in building consumer-facing for web, apps, Products, and SaaS platforms. I'm a visual UI designer that works hands-on when it makes sense to do so.

Tools - Design, HTML, CSS, JavaScript, Markdown.

DESIGN TEAM LEAD

Twilight IT Solutions, Puducherry (May 2017 - Feb 2020)

Quality, Creativity and Delivery of the projects, and client and team satisfaction. Lead and coach for Design & front-end developers.

Tools - Design, HTML, CSS, SASS, CMS, Angular, React.

SENIOR SOFTWARE ENGINEER - DESIGN

RJT Compuquest, CHENNAI (MAR 2016 - APR 2017)

Creative software design concepts and ideas into reality using front end technology.

Tools - Design, Coding, CMS, Angular.

SENIOR SOFTWARE ENGINEER

ITCSSG Consulting Pvt Ltd, Puducherry

(DEC 2013 - MAR 2016)

Work with developers to ensure that the website is functional and visually appealing.

Tools - Axure, Adobe CC, Coding, Balsamiq, CMS, Angular, MS Office.
