

SARFRAZ NAWAZ

UX/UI DESIGNER | DESIGNOPS & UX STRATEGY

Bangalore, India | sarfraznawaz.in@gmail.com | +91 98438 80670 |
[Portfolio](#) | [LinkedIn](#)

UX/UI designer with 5+ years of experience, plus 13 years in web, graphic, and visual design. Expert in DesignOps, UX Strategy, and Scalable Design Systems. Skilled in user research, accessibility, and front-end integration to optimize workflows and impact.

CORE SKILLS & EXPERTISE

- DesignOps & UX Strategy (Design Process Optimization, Tooling, Governance)
- UX/UI Design (Wireframing, Prototyping, User Research, Interaction Design)
- Design Systems & Branding (Scalability, Consistency, Governance)
- Usability & Accessibility (WCAG Compliance, User Testing, A/B Testing)
- Agile & Cross-Functional Collaboration (Stakeholder Engagement, Product Alignment)
- Design Tools (Figma, Sketch, Adobe Creative Suite, InVision)
- Front-End Technologies (HTML, CSS, JavaScript, Bootstrap, React)

PROFESSIONAL EXPERIENCE

UX/UI Lead Designer | IBM iX, Bangalore (Feb 2020 – Present)

- Led UX/UI design for web and mobile, boosting user engagement by 25%.
- Established and maintained design systems, ensuring consistency across multiple products and platforms.
- Optimized design-to-development workflows, reducing handoff errors by 30%.
- Led usability testing and research, incorporating data-driven decisions to enhance product functionality.
- Implemented DesignOps strategies, streamlining cross-functional collaboration between design, development, and product teams.

UX/UI Lead | Twilight IT Solutions, Puducherry (May 2017 – Feb 2020)

- Led a UX team, driving UX strategy and research across multiple projects.
- Developed a scalable design system, reducing design inconsistencies by 40%.
- Conducted heuristic evaluations, A/B testing, and user research to improve usability.
- Collaborated with product and engineering teams to ensure seamless design execution.
